*iskall85 Presents*

# FoolCraft  v1.3.2

## ** NOTE **
1. Updated Simply Conveyors Mod as that was not the cause of world breaking issues
2. Reverted Block Armor config to defaults (actual cause of world corruption issues)

## Core Mods Updated
● Simply Conveyors & More *by Zundrel*          1.10.2-3.0.3          ([ChangeLog](#))

## Config File Changes
● Block Armor
   Reset Config to Defaults
      # Specifies how many armor pieces must be worn for a set's effect(s) to work.
      I:"Armor pieces required for Set Effects"=2

# FoolCraft  v1.3.1

## ** NOTE **
3.  Reverted Simply Conveyors in attempt to resolve issue with corrupted worlds.

## Core Mods Updated
● Simply Conveyors & More *by Zundrel*          1.10.2-1.4.2          ([ChangeLog](#))

# FoolCraft  v1.3  -  The "Fix All The Things" Update

## ** NOTE **
4.  The Extra Utilities Mechanical Users have been disabled in this version.  You have been warned.
5.  Make sure to **BACKUP YOUR WORLD** before updating to this version.  This update contains numerous changes and not every possible problem during an update of an existing world could have been anticipated.
6. Full changelog - [Full Changelog](#)
7. Found the world corrupting bug and crushed it.

## Core Mods Removed
● Embers *by elucent*                    0.104                    ([ChangeLog](#))
● FoamFix                                 0.6.2 beta 4 "Anarchy"   ([ChangeLog](#))
● Modifiable Armor 2.0 *by Kloonder*      2.0.2                    ([ChangeLog](#))

## Core Mods Added
● Angel Ring to Bauble *by PortableJim*   0.2.3                    ([ChangeLog](#))
